MEMORANDUM FOR: WHOM IT MAY CONCERN

A handwritten signature in black ink, appearing to read "J. Reddick", is written over the printed name.

FROM: J. Reddick, Staff Chaplain

SUBJECT: AIC Morgan, Donald, Register No. 80886-053

Within the scope of my employment at the Administrative Maximum Penitentiary (ADX) in Florence, Colorado, I have had the opportunity to serve AIC (Adult in Custody) Morgan register no. 80886-053 through the Chaplaincy Services department. According to our records, Morgan has been a practicing Muslim while with the BOP, since June 9, 2016. During his incarceration at the ADX, he has requested many religious books weekly to advance his Islamic studies, as well as observed the Muslim observance of Ramadan every year, and participated in many Islamic ceremonial meals throughout his time here. Additionally, I have had the privilege of engaging in several conversations about his faith throughout the years. It is my summation, that AIC Morgan has held himself with respect for both staff and inmates alike during his incarceration at the ADX.
